Since 2012, MSSC has been working with the White House, Department of Defense, Army, Air Force and Marines on several credentialing initiatives for active duty, reserve and guard members. We also partner with several veterans' assistance programs to provide pathways to certification.

General Information

Veteran-Employer Career Connector

The Veteran-Employer Career Connector program is designed to connect employers to industry certified Military and Veterans in transportation, logistics and distribution (TDL). **Military Members and Veterans**

If you are an active or veteran member of the military, including reserve or guard, learn more about our certification programs.

US Army Pilot Program FY 2015

If you are in the Army and are interested in the CLA pilot program, please contact us today.
